Introduction

*"Why, man, he doth bestride the narrow world
Like a Colussus; and we petty men
Walk under his huge legs, and peep about
To find ourselves dishonorable graves.
Men at some time are masters of their fates:
The fault, dear Brutus, is not in our stars,
But in ourselves, that we are underlings."*
Julius Caesar (1599) act 1, scene 2 Shakespeare

The subject of Fate or Destiny has triggered many a philosophical argument. What is destiny? Are the details of our lives pre-destined? How much free will do we really have? These are imponderable questions. This report does not offer the answers. Rather it gives us some signposts to help us on our life journey.

When meteorologists forecast the weather we understand that they are not telling us how to live our lives. Rather they are giving us information that may help us make our own decisions. As far as the weather is concerned our major decisions are whether or not to dress warmly or to take an umbrella. The astrological system of Transits is offering us much the same information. It is giving us an indication of the emotional and intellectual weather of our lives. It is up to us to decide our own destiny.

When using this set of interpretations, please bear in mind that, inevitably, every chart will contain some contradictory influences, and as a result certain interpretations of different items in the same chart may seem difficult to reconcile. However, this may still be an accurate reflection of what is happening to the individual whose transits are being interpreted, as people do experience conflicting desires, events and circumstances in their lives. It is the responsibility of the astrologer to synthesise these apparent contradictions in order to present a cohesive and realistic interpretation of the dilemmas of the chart.

TRANSITING PLUTO OPPOSITION RADIX NORTH NODE - There's a saying that goes something like "the past has a way of catching up with the present." This adage is apt right now. In many ways past events and relationships are coming into focus. People, who you have not seen since childhood, old friends and lovers and distant relatives, to name a few, may suddenly reappear. Long-lost treasures may be re-discovered, inheritances may be passed on and secrets about your family ancestry may be revealed. This is strange time when hidden truths have a way of coming to the surface, particularly those dark secrets or unresolved painful memories. This can be a positive and challenging time as you learn to accept and heal past memories and relationships and in turn prepare the path forward in your life. At first you may be taken by surprise by the force of your emotions, preferring to avoid resurfacing memories and their accompanying emotions. However, if you are prepared to welcome these opportunities for healing, then you will be delighted at the opportunities to gain in personal strength. Fate plays a strong role in your life at the moment. There is a sense that, even if you do not want, to you are compelled to come to terms with any unresolved problems in your life so far. You are being also being asked to pay your dues to society so that you can fulfill your full potential. As you make peace with your past you are able to acquire peace of mind and a willingness to fully embrace all that is abundant.

14 Jan 2016 (16 Dec 2015 to 14 Feb 2016)

TRANSITING PLUTO SQUARE RADIX SATURN - Life seems like hard work during this transit, leaving you often feeling tired, anxious and despondent. The problems seem to be piling up faster than you can deal with them. Others expect too much, and the authority figures in your life seem to be unreasonably rigid in their approach. Don't be too hard on yourself or others, try to take some time for rest and recreation, which will help to put your troubles into perspective. On a positive note you may find that you have good organisational abilities, and more patience than usual.

14 Feb 2016 (16 Jan 2016 to 12 Mar 2016)

TRANSITING NEPTUNE SQUARE RADIX MERCURY - At this time you are open to deception and confusion in your communications with others. It is a poor time for making decisions that require hard, logical thinking. Therefore it is best to leave any contract or business decisions until after the transit has ended. Information is just not what it seems. You may feel nervous, on edge and distrustful. You may find your attention wandering. It would be better if you could find a creative pursuit which enables you to slow down and relax - something which requires imagination rather than logic.

TRANSITING JUPITER TRINE RADIX SOUTH NODE - During this time you have the chance to improve your relations with other people, and to make new relationships. You may meet a particular person, or take up with a new group of people. Either way this connection could help you expand your horizons in life. This can have a positive effect on your life as long as you recognize the opportunities, and do not pass them up. An engagement and marriage may be on the cards.

27 Jun 2016 (18 May 2016 to 7 Aug 2016)

TRANSITING CHIRON SQUARE RADIX NEPTUNE - Your spiritual life is undergoing change and you are likely to feel confused, perhaps even disillusioned. You feel impelled to question your spiritual beliefs and associations which do not seem to be as fulfilling. This can be a painful process of coming to terms with the difference between reality and fantasy. You are particularly sensitive to the problems of the world, feeling an empathy for the suffering of others. As a result you may be drawn to charity work or an altruistic pastime. In some cases circumstances such as illness or grief could force you to slow down and contemplate the meaning of life, or you could feel confused about your direction in life. However, you can discover new meaning in your life if you explore your own inner world and innate talents. Others of your age group are also experiencing the effects of this transit. Therefore it is also an opportune moment to share your feelings and insights.

17 Aug 2016 (12 Aug 2016 to 22 Aug 2016)

TRANSITING JUPITER TRINE RADIX CHIRON - Now is the time to make the most of any opportunities to lay to rest painful memories, which have haunted you in times gone by, and move into areas that are linked straight to your heart. Opportunities for learning present themselves and you may discover talents that you never knew existed. One person, an important teacher or healer may enter your life, or you could take a study course or travel. Alternatively if this transit happens later in your life, you also may have the chance to express your own teaching and healing talents, finding an appropriate avenue of expression for wisdom gained from past experience.

2016											
Jan	Feb	Mar	Apr	May	Jun	Jul	Aug	Sep	Oct	Nov	Dec

19 Aug 2016 (13 Aug 2016 to 23 Aug 2016)

TRANSITING JUPITER SQUARE RADIX NEPTUNE - You are currently vulnerable to deception and disillusionment because the energies of this transit lead you to discard the more practical side of your nature in favour of a fantasy world. Your common sense has flown out of the window and you yearn for greener pastures. You may find yourself daydreaming of better times, or even taking up a fanatical religious pursuit. Therefore this is not the best time for making life-changing decisions or entering into agreements which demand clear judgement.

19 Aug 2016 (14 Aug 2016 to 24 Aug 2016)

TRANSITING JUPITER TRINE RADIX VENUS - Right now you are in a phase that favours all relationships. Fortune is smiling on you, particularly in the areas of romance and money. This is a wonderful time for romance. You are in love with life and your joy is contagious. If you are married, then your marriage is likely to flourish as you rekindle the flames of love. Make the most of this period by renewing your efforts to communicate with your spouse in a fun loving manner. If you are unmarried, then you may meet someone and fall in love. In fact you are likely to attract many favourable relationships, ranging from friendships to benefactors at work. You enjoy social occasions and others enjoy your company. You are in for some peaceful and happy moments. Therefore it is a good time to accept social invitations and take part in fun activities. Your finances are also likely to improve during this period. Investments may pay off. Influential people may bestow gifts. You need to make the most of the opportunities that arise during this phase without squandering your luck on ill-gotten gains or unappreciative friends and love interests.

28 Aug 2016 (23 Aug 2016 to 2 Sep 2016)

TRANSITING JUPITER SQUARE RADIX ASCENDANT - On the whole you are feeling self-confident and are enjoying warm relations with other people during this period. However, you also find there are times when others are not as appreciative as they could be of your need for fun and enjoyment. Slow down a little and let others adjust to the pace as it may be you who is a little over the top in the energy department.

TRANSITING JUPITER SQUARE RADIX SUN - Success is within your reach during this phase.

You are reaching a point in your life whereby you can achieve your goals and make a positive contribution to society. You want to expand your horizons and have the ability to do so. Financial and spiritual riches are within your grasp through your own efforts and through benefactors. You are keen to make the most of the doors that are opening. However, you need to be wary of a lack of discretion and restraint. It could be your own lack of discretion or it could be someone else in your life. Either way excesses are to be avoided. Currently you feel tempted to pursue your goals no matter what the cost to yourself or your loved ones. It would be better if you could use this time to pursue your own goals, waiting patiently for things to run their own course.

The trouble is that you lack the ability to balance your need for emotional security with your enthusiasm for the pleasures of life. The result can be a lackadaisical approach to life which irritates others and gets you nowhere fast. Tensions may surface on the domestic scene.

You are mentally alert and capable of quick thinking and good decisions. Influential people notice your positive attitude and aptitude and reward your efforts. Promotions at work are possible. You are also likely to benefit from any decision to study, travel, teach, write or sharpen your mental faculties. Plans to buy and sell property are likely to be satisfying. In fact any plans made now are easily executed because of your optimism and ability to see the big picture, as well as deal with details. You may also discover latent sales talents. Legal contracts and lawsuits are also likely to be favourable when undertaken now. Of course, this does depend on other astrological influences. However, if you have shown restraint and wisdom in your dealings with other people then you are likely to receive positive news.

23 Nov 2016 *(17 Nov 2016 to 29 Nov 2016)*

TRANSITING JUPITER CONJUNCTION RADIX SATURN - This can be a beneficial transit during which you feel an increased joy in your responsibilities. You now feel that you have the ability to achieve a sensible balance in your life reaping benefits from past hard work and planting seeds for the future. This may take many forms including career promotion, others recognising your work and opportunities to study or travel. In some cases you may feel the urge to make changes to your current lifestyle to accommodate your need for expansion. The only hitch to this transit can be that you may lack tolerance for anyone who stands in your way as you seek to expand your horizons.
